

Position Available: Licensed Medical Massage Therapist (Trigger Point & Myofascial Specialist)

We are seeking a **Licensed Medical Massage Therapist** with advanced clinical skills in **trigger point therapy** and **myofascial release** to join our healthcare team.

The ideal candidate will have a solid background in **therapeutic and rehabilitative bodywork**, a strong understanding of **musculoskeletal anatomy and pathology**, and the ability to collaborate effectively with other healthcare providers to support comprehensive patient care.

Responsibilities:

- Provide outcome-based massage therapy sessions focused on pain reduction, mobility improvement, and functional recovery
- Assess soft tissue conditions and document patient progress
- Collaborate with chiropractors and other clinical staff to develop integrated treatment plans
- Maintain accurate, detailed patient records and adhere to all clinical and ethical standards

Qualifications:

- Current and valid state massage therapy license
- Specialized training and experience in **trigger point** and **myofascial release techniques**
- Minimum of 2 years of clinical experience (preferred)
- Strong professional communication and documentation skills
- Commitment to evidence-based practice and ongoing professional development

We Offer:

- A professional, team-oriented clinical environment
- Competitive compensation structure
- Consistent patient referrals and scheduling support

If you are a dedicated clinician seeking a role where your skills directly contribute to improved patient outcomes, we encourage you to apply.
